Figline Valdarno Gaville

In an old farmhouse complex, a beautiful portion of a farmhouse totaling 175 square meters is located in a quiet and peaceful area, just steps from the Chianti region. Originally renovated, it now requires maintenance work and is located on the ground floor. Originally two residential units were merged into one large unit with multiple entrances. The property currently comprises a large loggia, an entrance hall, an eat-in kitchen with a fireplace and pellet stove with direct access to the garden with a bread or pizza oven, four bedrooms, two bathrooms, a large living room with a fireplace, and a laundry room.

The property includes 2 private parking spaces, a private well and a large private garden of approximately 1500 m2 with a small annex. There is the possibility of dividing it into several units. Excellent to see. The facades and gutters have currently been redone.
